FAIR CORNER

2023 MANITOWOC COUNTY FAIR

Mark your calendars for the 2023 Manitowoc County Fair set for August 23-27.

Theme and Colors

The 2023 fair theme is **"Pirates of the Carrots & Beans."** Colors for the theme are Orange, Green and Royal Blue.

Fairbook

The fairbook is available online now.

Make sure to print off current year fair rules and regulations as there have been changes and updates.

Junior Fair exhibitors can order a curriculum guide through your 4-H leader or by calling the Extension Office at 920-683-4167 or if you are an FFA or other organization member, contact them directly.

The curriculum guide allows exhibitors to complete projects in the guide and submit these projects in the Jr. Fair departments.

One Day Passes

One day passes are available in the Expo Office and make great gift ideas!

One day passes are only \$10 and include admission, parking, Unlimited Carnival rides, grandstand and music entertainment.

Hi Everyone!

Hello Again! Summer has just begun and that means it is almost fair season!

To highlight some of my events so far in my reign, I loved getting to ride in the Memorial Day Parade and seeing all of you out and about in Manitowoc County.

In June, I attended this **year's Breakfast on the Farm** hosted at Twin Cities Vue Dairy Farm. There was an amazing turn out even with the chilly weather!

I enjoyed meeting so many of you to celebrate and appreciate agriculture and family farms within Manitowoc County, with great food, music, and of course fun!

Don't forget to tune in to WOMT for 'Be My Guest' on August 4 to hear stories from my reign so far in the year!

Time is flying by and we are already looking for our next Manitowoc County Fairest of the Fair!

Applications are open for the 2024 fairest where the crowning will commence on the Saturday of Fair week. Make sure to mark your calendars for the 2023 Manitowoc

County Fair, August 23-27, to celebrate our theme **"Pirates of the Carrots and Beans"!**

Become the Next Fairest of the Fair

The Manitowoc County Fair is accepting applications now for the 2024 Manitowoc County Fairest of the Fair!

The Fairest of the Fair is the official ambassador of the Manitowoc County Fair and promotes the fair and advocates for the agriculture industry.

The Fairest will begin their reign on September 1, 2023 and appear at parades and special events leading up to the 2024 Manitowoc County Fair.

Their reign will end on January 31, 2025, after they have competed at the Wisconsin Fairest of the Fairs contest in early January at the annual

Wisconsin Association of Convention. The Fairest will also participate in radio interviews and record ads promoting the fair. After successfully completing their reign, the Fairest will receive a \$1500 scholarship.

The 2024 Fairest of the Fair Contest will take place during the week of fair on Saturday, August 26, 2023 at 5 p.m. in the Ice Center and held during the week of the Manitowoc County Fair.

Applicants will have an individual and group interview with the judges, present a prepared a 30 second radio interview, and will answer impromptu questions in the on stage program.

Applicants should have high energy and strong enthusiasm for the Fair.

Applicants must be a resident of

Manitowoc County, **possess a valid driver's** license and be at least 18 years of age by January 1, 2025.

Applications and rules can be found online at: fair.manitowocountywi.gov.

We encourage all interested individuals to apply and compete for the 2024 Manitowoc County Fairest of the Fair.

AG Educator

Summer is in full swing as well as the countless hours of training and preparing for exhibiting at the Manitowoc County Fair. 4-H and the learning chances it provides is monumental in the lives of our youth in our fine county. *New for 2023:*

- Each dairy youth showing will receive a t-shirt made possible by generous sponsors in our county that will be highlighted on the back of the shirts
- Dairy Exhibitors are required to have taken the YQCA course, either online or in-person, your dairy leader will verify your completion of that course prior to the fair.
- Fitting Contest!!! There is a google form to fill out by August 7 to enter. The contest will be held

Wednesday, August 23, tentatively 3-5pm. Please reach out to your dairy leaders for more information.

- All dairy leaders for clubs and open class exhibitors must call the Dairy Superintendent no later than August 7 with the number of cows, yearlings and calves to be exhibited so appropriate space can be distributed in the barns.

Please take some time to review the “Youth Opportunities” section of our website

<https://manitowoc.extension.wisc.edu/agriculture/> to view award forms for the 2023 Outstanding Dairy Cattle Youth Exhibitor Award, The Herd Builder Award and the Production Award which are due August 1st. These awards are graciously sponsored by CP Feeds, GreenStone Farm Credit, Manitowoc 4-H Dairy Committee and Parnell Pharmaceuticals.

The process involves an application and an interview, both great ways to gain communication skills!

As always, please feel free to reach out to me at my office, 920-683-4511 if I can

answer any questions you may have. There will be multiple emails being sent out leading up to the fair with reminders and directions for exhibitors and clubs, so please watch for them! Looking forward to seeing everyone at the fair, Pirates of the Carrots & Beans!

Kindly,
Angie Ulness, Agricultural Educator

PROUD TO BE INVOLVED IN ALL THE
AMAZING COMMUNITIES WE SERVE

(Continued on page 17)

4-H Updates

The 4-H Program has four essential elements that we focus on when doing programming with youth: Belonging, Independence, Mastery, and Generosity. Belonging is about the youth feeling like they belong in the program that is safe and positive. Independence is having the youth have an opportunity to influence over their life and the ability to see a path for their future. Mastery is about youth having the opportunity to build on skills and knowledge over time. Generosity is where youth are able to practice generosity by giving back to the larger community in some way through their service.

The Manitowoc County Fair is one of the great ways that 4-H members take part in the four essential elements of 4-H.

Whether the members are coming together to learn a new skill, or **putting together their club's billboard** sign, or creating decorations for their

animal pens/stalls, this is an opportunity for the youth to feel like they Belong. It is a group of youth with similar interests.

As a young member, the member may need more guidance from an adult or older youth, however with time that once young youth may be the one leading or assisting the younger youth. This is where Independence comes in.

The greatest 4-H essential element shown at the county fair is Mastery. Members can show what skills they have obtained in the past year and each year the members can keep improving on their skills. Many members will take workshops, attend educational sessions, and practice with their projects to master their skill of choice. It is always great to see the different skills the members are mastering.

The last essential element, Generosity, can be seen by members assisting with county fair set ups or takedowns in the animal buildings or working at the different community food stands.

I hope you can check out the Manitowoc County Fair to see the many different projects the 4-H members took part in this year. Also stop by the Clover Cafe to help support the Manitowoc County 4-H Leaders Association. The Leaders Association helps support many 4-H projects and activities financially.

If your family is interested in learning more about the Manitowoc County 4-H Program please reach out to Katrina Pioneck @ kmpioneck@wisc.edu or 920-683-4172.

Katrina Pioneck
Manitowoc County 4-H Youth Educator

Lithium Battery Hazards

Lithium batteries are commonly found in many devices today including phones, tablets, laptops, drones, and many high tech toys. They typically carry a high capacity charge needed to meet the energy demands of the devices they power.

Do NOT place these batteries in your curbside recycling or any recycling center drop off bin. Or any devices containing them.

These batteries can easily start fires when they become damaged by the equipment used to handle recyclables or trash. Damaged batteries can heat up and become an ignition source.

Lithium batteries have been responsible for many fires in the solid waste and recycling industries, including fires in collection trucks, transfer stations, recycling centers and landfills.

So what should you do? There are places that can collect and recycle unwanted lithium batteries for

little to no charge. In fact, we can accept most rechargeable lithium batteries for free at our main office as part of our electronics recycling service, visit manitowocountywi.gov/.../electronics-collection/ or call the Manitowoc County Recycling Center at 920-683-4333.

Electronics Recycling

The Manitowoc County Recycling Center has an ongoing electronics collection program. A variety of electronics items are accepted for a fee. This includes televisions, computer equipment, kitchen gadgets, electric tools and many other things with plugs and batteries. Items that are not accepted include Freon containing appliances like air conditioners, dehumidifiers, or refrigerators as well as bulky appliances like stoves, washers, or dryers and oil containing devices such as radiator style heaters. Televisions and monitors must not be broken or stripped.

It is important to recycle electronics for a number of reasons. They can contain hazardous materials, such as lead and mercury, that should be handled properly. They contain different types of metals that are highly recyclable. In Wisconsin, many electronic devices are banned from landfill disposal.

The Manitowoc County Recycling Center is registered with the Wisconsin Department of Natural Resources as a certified electronics collector. This means that ALL the electronics recycled through our program are sent to reputable recycling companies who guarantee the confidential destruction of any personal data, they recycle or reuse almost

all of the materials they receive, and are registered with the Environmental Protection Association and Wisconsin Department of Natural Resources.

If you have questions, visit manitowoccountywi.gov/.../electronics-collection/ or call the Manitowoc County Recycling Center at 920-683-4333.

MANITOWOC COUNTY FAIRGROUNDS

**Look at what we have planned
for you on September 12-16, 2023!**

You'll love how easy it is to drive around the Manitowoc area. The Wisconsin Region Studebaker Drivers Club has a wide range of great activities right at your fingertips for the 59th SDC International Meet. **Here are some highlights!**

- **Seminars** throughout the week on a wide range of subjects including local history, Studebaker history, as well as practical subject matter.
- **Swap meet, judging, memorabilia** - all the things you expect at any meet.
- **Ladies Luncheon** at the Rahr West Art Museum.
- **A choice of great driving tours** at Wisconsin's beautiful lakeshore including a Green Bay Packers Lambeau Field Tour in Green Bay, plus Manitowoc and Two Rivers attractions that include a Maritime Museum with a WWII submarine tour, Farm Discovery Center, Wood Type Museum, breweries, wineries restaurants, and other beautiful area attractions.
- **A Studebaker Parade** on Wednesday night from University of GB Manitowoc to Two Rivers (**Historical Home of the original Ice Cream Sunday!**)
- **Food Trucks, a sock hop**, and plenty of places for fine entertainment.
- **For a complete schedule of events go to: www.sdcmeet.com!**

Studebaker Drivers Club - September 12-16

The Studebaker Drivers Club (SDC) in conjunction with the Wisconsin Region Studebaker Drivers Club (WRSDC) will be hosting the 59th Annual Studebaker Drivers Club International Meet September 12-16, 2023 at the Manitowoc County Expo Grounds.

The event is expected to draw over 1,000 Studebaker car and truck enthusiasts to the lakeshore area, according to Steve Kanter, President of the Wisconsin Region Studebaker Drivers Club.

Kanter says the host club hopes to have 300 Studebakers on display

during the 5-day event at the Manitowoc County Expo Grounds, with the local Holiday Inn serving as the host hotel.

The Antique Studebaker Clubs (pre-war cars) will also be arriving earlier in the week for their event on September 10.

Kanter explains, "Manitowoc is the perfect location to hold this large event. We are right off Interstate 43, about 70 miles north of Milwaukee. The host hotel and overflow lodging are located within a mile of the Expo Grounds. Touring and getting around

in old Studebakers will be easy with light traffic and great scenic touring roads in the area. We will also be hosting touring events in beautiful Two Rivers, WI."

Kanter added the WRSDC is planning many activities for SDC members including a swap meet, technical seminars, Studebaker Car Tours to local attractions and Lambeau Field in Green Bay.

Public events include a parade on September 13 from Manitowoc to Two

Rivers, culminating in opening the Expo Grounds to the public with a sock hop on Friday September 15, and an All-Make Classic Car Show held the last day of the event, September 16.

The Studebaker Brothers began their path to automobile production by first building horse-drawn vehicles in 1852.

Studebaker began building electric cars early in the century but quickly turned to gasoline-powered cars.

Studebaker would also be the only manufacturer to

Fleet Farm.

Running-A-Fair 2023

Run, Walk, & Enjoy the Fair

Special Olympics
Wisconsin

Take your mark, get set, run/walk, and enjoy the fair!

The Running A-Fair, a 5K run and 2 mile walk which benefits Manitowoc County Miracles Special Olympics will take place on opening night of the Manitowoc County Fair, Wednesday, August 23, at 6pm.

This is the most important fundraiser for Manitowoc County Miracles Special Olympics and Manitowoc County Miracles currently serves almost 200 individuals

with intellectual disabilities of Manitowoc County. Special Olympics offers countless opportunities to develop physical fitness, demonstrate courage and leadership, and experience numerous social activities.

The Manitowoc County agency is proud of the fact that it is the largest in the state that is run solely by volunteers.

It depends exclusively on fundraising to manage

fourteen different sports that take place throughout the year.

Proceeds from the Running A-Fair help make these opportunities become a reality.

Since its inception, the Running A-Fair, has raised well over \$100,000,

Mark Your Calendars for the
2024 Manitowoc County Fair -
August 21-25!

Want to become the MANITOWOC COUNTY Fairest of the Fair?

Manitowoc County Fair is now accepting applications for the 2024 Manitowoc County Fairest of the Fair!

The Fairest of the Fair is the official ambassador of the Manitowoc County Fair and promotes the fair and advocates for the agriculture industry. The Fairest will begin their reign on September 1, 2023 and appear at parades and special events leading up to the 2024 Manitowoc County Fair. Their reign will end on January 31, 2025, after they have competed at the Wisconsin Fairest of the Fairs contest in early January at the annual Wisconsin Association of Convention. The Fairest will also participate in radio interviews and record ads promoting the fair. After successfully completing their reign, the Fairest will receive a \$1500 scholarship.

The 2024 Fairest of the Fair Contest will take place during the week of fair on Saturday, August 26, 2023 at 5 p.m. in the Ice Center and held during the week of the Manitowoc County Fair. Applicants will have an individual and group interview with the judges, present a prepared 30 second radio interview, and will answer impromptu questions in the on stage program.

Applicants should have high energy and strong enthusiasm for the Fair. Applicants must be a resident of Manitowoc County for one year, a resident of an adjoining county for one year if majority of Fair and/or school activities are held in Manitowoc County, and be at least 18 years of age by January 1, 2025.

Applications and rules can be found online at:

fair.manitowocountywi.gov.

for further information to call the

Expo Office at 920-683-4378 or

email JennellShelton@manitowocountywi.gov.

Application and photo must be received by August 1, 2023.

We encourage all interested individuals to apply and compete for the 2024 Manitowoc County Fairest of the Fair.

Studebaker cont...

successfully switch from horse-drawn to automobiles.

The company grew to employ thousands of people who manufactured automobiles, trucks and military vehicles in plants located in South Bend, Ind., Los Angeles, Calif. and Hamilton, Ont.

Over the years, Studebaker became well known throughout the world for their unique, advanced designs and had a reputation for building durable vehicles until the end of production in 1966.

Studebaker merged with Worthington Corporation after car production ended and owned several different companies until

the entity was sold to McGraw Edison in 1979 and the Studebaker name disappeared from the New York Stock Exchange.

Today, more than 12,500 members in the Studebaker Drivers Club (SDC) share a passion for all things Studebaker, and especially enjoy sharing time, knowledge, fun and memories with their fellow members and the general public.

The purpose of the Studebaker Drivers Club (SDC) was, and continues to be, to honor the Studebaker automobile and all of the Studebaker-related products.

Most SDC members also belong to one of more than 100 chartered local SDC chapters like the

WRSDC in most U.S. States and Canadian Provinces.

There are also SDC chapters and affiliated Studebaker clubs around the world.

For more information about the 59th Studebaker International Meet, please contact Steve Kanter at steve.kanter13@gmail.com.

Running-A-Fair 2023 Run, Walk, & Enjoy the Fair Cont...

(Continued from page 12)

all of which stays in Manitowoc County.

Over 200 participants, including runners, walkers, Special Olympic athletes, and volunteers take part in the event each year. After the award presentation by the Fairest of the Fair, smiles abound as participants enjoy the many activities the fair has to offer.

The Special Olympics agency is very grateful for their partnership with the Manitowoc County Fair.

The Running A-Fair wouldn't be possible without the assistance of the Manitowoc County Fair staff.

Their assistance with tickets, registration set up, volunteering along the route, and more is incredibly helpful. They are always there when needed.

This year's event takes place on Wednesday, August 23, at 6pm with registration starting at 4pm.

All participants get free admission to the fair, receive a Running A-Fair shirt and, of course, donate to a wonderful cause.

Brochures with registrations are available at the fair office and throughout the community.

Online registration is also available at www.runningafair.com.

For more information on the Running A-Fair 2023, contact Annette at 920-652-4135.

Woman's Day Event to Support the Foster Families Program

A HUGE thank you to Community First Credit Union for once again sponsoring our Manitowoc County foster parents at the Manitowoc County Fair!

The fair is a wonderful family event that many of our families would not otherwise be able to attend if it were not for this generous donation.

Becoming a foster parent to a child or children is not an easy decision. Often it takes time for someone to decide that it is right for them. Foster parents accept children into their home to

become a part of their family while also supporting reunification **with the child's birth family.**

Have you ever considered becoming a foster parent to a child or a sibling group? We would love to talk to you to get you the information you need to make an informed decision.

Manitowoc County has a great need for additional foster parents as we want to be able to provide the best match for each child that is in need

of an out-of-home living arrangement.

You can reach a member of the foster care team by calling (920) 683-4230. We hope to hear from you soon.

Serving Rural Wisconsin Since 2003

Woman's Day Event - Empowering Women to Give Back

The Manitowoc County Fair will host the Third Annual Woman's Day Event with a focus on Educating Today's Woman from Finance to Higher Education and supporting Peter's Pantry is sponsored by Community First Credit Union.

The event will be held on Saturday from 10am to noon.

The first 100 attendees will receive a free tote bag with fun FREE items from the community.

Each attendee will also receive one raffle ticket and with the donation of two non-perishable items, attendees can receive another raffle ticket for a chance to win raffle baskets that will include local gift certificates.

The winner of the Quilt Block Contest will also be announced at the event.

Celebrating Today's Woman

· Motivation · Information · Entertainment ·

If you are interested in participating in the Quilt Block Contest, visit the website at fair.manitowocountywi.gov, click on the Woman's Day tab and select the Quilt Block Contest Rules and Regulations 2023. The 2023 winning Quilt will be raffled off at next year's Woman's Day Event!

If you are a business interested in providing a raffle item or basket for this event, please feel free to contact the Expo Office at JennellShelton@manitowocountywi.gov.
